

# Bauler Park Advisory Council Playground Renovation Survey

We are so fortunate to have Bauler Park in our neighborhood. There is strong interest in the neighborhood to renovate the park to improve accessibility and update equipment. Please take a few moments to complete the survey below. Your input is critical to the planning and design phase if we are able raise enough money to move ahead with a renovation. We have been advised by the Park District that renovations of similar sized parks to Bauler are in the \$500,000 range and take about 4 years from conception to completion. The formula of how this would be financed that the Park District has used in the past has been 1/3 neighbors and 1/3 other public funding that we would need to secure, and 1/3 Park District.

**1. Do you or any household members currently utilize Bauler Park?**

- Yes
- No

If you answered no, why not? \_\_\_\_\_

**2. What current features do you like the most at Bauler Park?** \_\_\_\_\_
